# **REMINDER: PLEASE WASH CLOTH MASKS REGULARLY**

## **How do I clean my face mask?**

\*\*Bandannas, face scarves and masks made of fabric, such as cotton, can be washed in your regular laundry using hot water.

\*\*Disposable, blue surgical masks cannot be laundered or cleaned and should be thrown away when it is visibly soiled or damaged.

\*\* After laundering your fabric masks, tumble dry them in the dryer on a high setting.

\*\*You might consider using a non-scented laundry detergent if you are sensitive to perfumes so it is easier to wear the masks.

\*\*You can also hand wash your mask, using hot, soapy water. Scrub the mask for at least 20 seconds, and dry them on high heat in the dryer.

*Store clean masks in a clean place when you are not using them.*
