

# **Grand Ridge District #95 Handbook**

## **Vision**

**“In partnership with our families and community, Grand Ridge CCSD #95 will educate all students to reach their highest potential. Grand Ridge will provide a safe learning environment, will respond to students’ individual learning and emotional needs, and will maintain high expectations for achievement. Our goal is to develop students who are responsible, respectful, kind, and passionate for life-long learning.”**

Dear Students and Parents,

The entire faculty, staff, administration, and Board of Education of Grand Ridge Community Consolidated School District 95 extend a welcome to parents and students entering our school for the first time or a welcome back to those parents and students returning for another school year. We are committed to support each student to reach their full potential academically, while they attend our school in an environment that is safe for learning.

This handbook was prepared with the help of a law firm to provide you with information about the policies, procedures, and rules of Grand Ridge School. On the following pages is information needed to answer most questions about the daily routine at school. The items in this handbook are a way of assisting your student in getting the most from their grade school and junior high experience. **Even if you are familiar with last year's handbook, please read this over. It is updated each year and it contains alterations or moving of information to different locations.** The changes have been placed in **bold print or underlined** that may significantly affect your child.

Some areas have been put in bold print that the district feels is important information. If you have difficulty finding information, please call the school for clarification.

We ask all parents to go through the handbook with all their children attending the school. Those parents who have students who are unable to read or too young to understand this handbook are asked to explain to them the sections that pertain to them. Parents and children who do this will better understand policies and procedures that support their education process. **Please note that this handbook may be amended during the year without notice.**

**The education process will work best when the home and the school cooperate and work together. Please feel free to communicate with the school whenever you feel the need. If there are any questions or concerns about a matter, please contact the appropriate person. The proper procedure would be to first contact the teacher, then principal, then superintendent and then school board members.**

After reading and discussing the Student/Parent Handbook with your student, **please sign the Student/Parent School Agreement sheet** (the **first** page of this handbook) stating they have read and understand the rules and return the signed sheet to the school office. Please keep the Student/Parent Handbook in a secure place so it can be used as a reference throughout the school year. Also, if you do lose the handbook you can see it at our website ([www.grgs95.org](http://www.grgs95.org)).

**We have also included a 2015-2016 School Calendar at the end of this handbook. Days are subject to change due to snow days or other emergency days.**

We are looking forward to this year and hope that this will be a pleasing year for all.

Sincerely,

Ted Sanders, Superintendent

Ingrid Cushing, Principal

## PURPOSE OF THE STUDENT HANDBOOK

This handbook is not intended to create a contractual relationship with the student; rather, it is intended to describe the school, its current practices, procedures, rules, and regulations (or code of conduct). This handbook is only a summary of board policies governing the district. The board policies are available to the public at the Superintendent's office.

## ENROLLMENT IN THE GRAND RIDGE DISTRICT #95

Children residing within the Grand Ridge Grade School District #95 who will reach their fifth birthday by **September 1, 2015** may enter kindergarten. Only students who are residents of the district may attend Grand Ridge Grade School without paying tuition. **Proof of residency is necessary at the time of registration.** Non-resident students may only be admitted upon approval of the Board of Education, paying a yearly tuition fee, plus the yearly registration fee. The fee is based on the school's budget divided by the enrollment and is determined annually by the School Audit. **The tuition cost for the 2015-2016 school year is approximately \$7,222 The final number will be based on auditor's final amount printed in October of 2015.** Payment is in advance, by quarters with a total of four (4) payments. The first tuition payment is due at registration and the following payments are due at the beginning of each grading period.

## NON-PUBLIC SCHOOL STUDENT ATTENDANCE

The Grand Ridge School District accepts nonpublic school students, including parochial and home-schooled students, who live within the District for part-time attendance in the District's regular education and special education programs on a space-available basis. Placement is determined by the administrative and board policies, including district administered achievement tests, results of district criteria referenced tests, and records from previous school enrollment.

Students accepted for partial enrollment must comply with all discipline, fees, and attendance requirements established by the school.

Parents who drive their youngsters to school must drop off the children on Main Street . On cold or rainy days, the students may enter the gym lobby and wait to be dismissed. Children may not be dropped off at the north or west side of the building where the buses unload.**

**Parents can park on the south side of the building on Main Street on both sides of the street. Parents coming from Grand Ridge, please use the parking on Main Street. Please do not block driveways of residential homes or businesses. For the children's safety, students and parents who have to cross the street to get to a vehicle need to use the cross walk. The crossing guard will assist the children crossing the streets.**

Bus notes need to be written and given to your child's teacher in the morning. Note(s) will be given to your child from the office. If you need to get your child at the end of the day because of an emergency, you can call or come into the office 30 minutes before the end of the day to make sure they don't get on the bus.**

### **STUDENT ABSENCES REPORTING**

All absences should be phoned into the school office (249-6225) by 9:00 AM. If you wish to have homework sent home for your child, please inform us when you call in the absence. Homework will be ready for you to pick up at the end of the day. If the student has not been reported absent by 9:00 AM, school personnel will attempt to call the student's home, the parent's place of business, or a number on the student's emergency form to report the absence.

If you know beforehand that your child will be absent (i.e., doctor, dental appointment, etc.) please inform the office before the absence occurs.

**If a student enters school after 8:15 AM, he/she is marked absent for the morning.**

**A student must be in attendance until 11:00 AM to be counted present for the morning.**

**A student must be at school by 12:30 PM to be marked present for the afternoon.**

**If a student leaves before 1:50 PM, they will be marked absent for the afternoon.**

**Any student leaving school for an appointment cannot be gone longer than an hour or they are marked absent for AM or PM (depending when they are gone).**

### **STUDENTS ARRIVING TARDY**

The school day runs from 8:15 a.m. to 3:00 p.m. Any student arriving at school after 8:15 a.m. must report to the office for a Tardy Slip. They should also have a note signed by their parent, stating why they are late. A student receiving their third tardy slip will have a meeting with the principal and a letter sent home to parents. After six total tardies, a detention is given and a meeting is set up with parents/guardians of the child and a Truancy Review Team, consisting of administration and teachers. If the student receives any additional tardies (7 or more) this information will be turned over to a truant officer and parents/guardians may be required to come before the school board.

## ATTENDANCE

### Philosophy

The district's educational program is built on the premise that regular attendance is vital to a student's success in school. Seeing that a student maintains regular attendance requires a cooperative effort by the student, parent(s) or guardian(s) and school personnel. The student who is frequently absent misses social interaction, class instruction and discussion, even though written work is made up.

### Expectations

The district expects parents or guardians to make reasonable efforts to ensure the regular attendance of their children, consistent with Section 26-1 of the Illinois School Code, and to inform the school of any absences and their causes. Parents are urged to try to schedule doctor, dental appointments, etc., after school hours. The district will also monitor each student's attendance and inform parents or guardians of any attendance problems.

### Excessive Absenteeism

This district considers absenteeism excessive when it significantly interferes with a student's learning, as reflected in academic performance or social development. **Excessive absenteeism includes excessive tardiness. Also, excessive absences may result in eliminating participation in extracurricular activities; school sponsored trips, programs, graduation ceremonies, and /or retention as provided under the terms of the Grand Ridge CCSD #95 Truancy Prevention Program. A copy of the program guidelines can be obtained in the school office.**

### Valid Causes of Absenteeism

This district, in keeping with Section 26-2a of the Illinois School Code, considers the following circumstances to be valid causes for student's absence:

- illness
- observance of a religious holiday
- death in the family
- other situations approved by the school administration

### Medical Documentation

Under certain circumstances, the district may require parents or guardians to present medical documentations of physical or emotional conditions causing a student's absence.

### Vacations

Family vacations should be scheduled during times that school will not be in session. Such vacations may disrupt the continuity of a student's learning and create educational problems. **The teacher(s) may provide assignments or make-up work prior to the vacation. If the teacher takes the time to prepare work ahead of time, the child should do the work and have it completed when they return.** Understand, work not completed in a timely manner, may affect a child's grade. Excessive number of vacation days could warrant a meeting with the principal to discuss truancy.

### Truancy/Chronic Truant

Truancy is an unexcused absence from school for all or part of the school day, as defined by Section 26-2a of the Illinois School Code. **A student is considered to be Chronically Truant if they are absent without valid cause for 5% (9 days) or more of the previous 180 regular attendance days. Consequences for truancy are determined by the repetitive and or nature of the truancy. Parent will be contacted and all absences beyond five (5) days without a doctor's notice will be referred to**

**the School Social Worker and/or the administration to verify its legitimacy. If necessary the La Salle County Truant Officer will be contacted to take appropriate action. Excessive absences or truancy may seriously jeopardize a student's grades and abilities in the classroom.**

### **Resources and Supportive Services**

The following resources and supportive services are available to students with attendance problems and their parents or guardians:

- Conferences with school personnel
- Counseling services of school social worker and/or school psychologist
- Placement in alternative educational programs
- Referral to community agencies for appropriate services

### **Truant Minor**

**The Grand Ridge School District, in keeping with Section 26-2a of the Illinois School Code, considers a truant minor to be a chronic truant to whom the above resources and supportive services have been provided and have failed to result in the remediation of the chronic truancy, or have been offered and refused by the parent(s), guardian(s) and/or student.**

### **Referral of Chronic Truant**

This district will refer chronic truants to the Regional Office of Education in accordance with current procedures established by the LaSalle County Truant Officer.

## **VISITORS' POLICY**

For the safety of students during the day the doors are locked and visitors must be buzzed in. Before entering the main building, buzz the office and please identify yourself and state the reason for your visit. **Upon entering the building you will need to sign in at the office and receive a visitor's pass to go beyond the designated area by the office. Visitors (including parents and guardians) shall not be allowed to be in any area of the school during the regular school day without proper authorization by district administration. Parents should make every effort to keep from disturbing their student while he/she is in class. AN ABUSE OF THIS POLICY MAY BE GROUNDS FOR REMOVAL FROM THE SCHOOL.**

Students are not allowed to bring visitors to school without permission from the principal. This shall include siblings, relatives and friends.

Items students have forgotten can be dropped off in the office.

## **STUDENT RESPONSIBILITIES**

**Lockers and Desks:** Lockers and desks are school property. They are to be kept neat and clean. School officials have the right to search any locker or desk with or without the assigned student's knowledge or consent (**See Search and Seizure information later in this handbook**). Students are required to use only their assigned locker and a school issued lock. Lockers must be locked at all times; failure to do so may result in a loss of locker privileges. The school assumes no responsibility for lost or stolen items.

### **SCHOOL SCHEDULES AND MENU INFORMATION**

Information, lunch menu, scheduled events and changes in the school schedule are communicated through the school newsletter and the district's website, [www.grgs95.org](http://www.grgs95.org).

### **EARLY DISMISSALS**

Students who must be dismissed early from school should bring a note from home to the office stating what time they need to be dismissed and the reason. The note should be brought to the office first thing in the morning and the student will receive an Early Dismissal Slip. Parents picking their child up early during the school day are to report to the school office and the child will be called out of class.

### **EMERGENCY DISMISSALS**

In the event that the decision is made to call an Emergency Dismissal, we will refer to the emergency dismissal plan parents filled out at registration. As a rule, we try not to dismiss early for any reason. However, the time may come when we have no other choice. We could be forced to dismiss due to the weather, power outage, heat problems, etc.

### **WEATHER ANNOUNCEMENTS/DRILLS**

**The school district has an early emergency notification system. It will be used to notify parents/guardians of an emergency such as a snow day or any other informational items the school district deems important such as parent teacher conferences.** The district will also post school closures on the radio. During inclement weather parents are asked to tune to radio stations; WCMY 1430 AM -Ottawa, WSTQ 1250 AM -Streator, or WLPO 1220 AM- LaSalle. If a weather problem/emergency occurs during the school day, the radio stations and the emergency alert system will be notified as soon as a decision has been made.

Evacuation (Fire), Severe Weather (Tornado), Bus Evacuation and other safety drills will be held throughout the school year as prescribed by the School Safety Drill Act (105 ILCS 128/1). All procedures are posted in the classroom.

## TELEPHONE

Parents are urged not to call students while school is in session except in cases of emergency. A student phone is available in the office for calls to parents regarding school business. **Students must have a permission slip from their teacher to use the phone during school hours.**

## TRANSFERS

Students moving away from the District should notify the school office at least **three (3)** days prior to their move. Student records will be mailed to the new school when a written request, signed by the parent, is received from that school. At the end of the year if you know your child(ren) will not be attending Grand Ridge the following year, please notify the office as soon as possible.

## **RIGHTS UNDER THE SCHOOL VISITATION RIGHTS ACT**

Parents of students attending Illinois Schools who work for employers who employ at least 50 or more individuals in Illinois have certain rights under the School Visitation Rights Act (820 ILCS 147/1). Employed parents who have worked for an employer for at least six consecutive months, who work at least half-time, and who are unable to meet with educators because of a work conflict must be given leave of up to 8 hours during the school year to attend school conferences or classroom activities related to the employee's child if the conference or classroom activities cannot be scheduled during non-work hours. However, no more than 4 hours of this time can be taken on any given day and leave under this Act may not be taken unless the employee has exhausted all accrued vacation leave, personal leave, compensatory leave, and any other leave that may be granted to the employee, except sick leave and disability leave. Before arranging attendance at the conference or activity, the employee shall provide the employer with a written request for leave at least 7 days in advance of the time the employee is required to utilize the visitation right. The District will provide documentation for parents' use confirming the date and time of each school visitation upon a parent's request for such documentation. For regularly scheduled, non-emergency visitations, the District will make time available for visitation during both regular school hours and evening hours, when it is practicable and the District is readily able to do so.

### **SCHOOL-PARENT COMPACT**

It shall be the goal and purpose of GRCCSD95 to provide a high-quality curriculum and instruction in a supportive learning environment that enables the children served under Title I to meet the State's student academic achievement standards. Parents can foster this purpose by carefully monitoring attendance, homework, and behavior. Parents should stress the need to make learning a priority. Parents are encouraged to visit the school and become involved in their children's educational career; and are encouraged to be active in the educational decisions of the child and be supportive of extra-curricular participation by their children.

Students will be given the opportunity to be successful in school and life. They will attend classes taught by highly qualified staff and be given a curriculum which will help them to achieve an education which is second to none in Illinois. They will be assessed based on the Illinois Standards of Learning. Additional assistance will be provided to students who fall behind in educational endeavors. Services include, but are not limited to, tutoring and appropriate referrals to additional programs as indicated.

## **USE OF A PHOTOGRAPH OR VIDEO RECORDING OF A STUDENT**

Students may occasionally appear in photographs and video recordings taken by school staff members, other students, or other individuals authorized by the building Principal. The school may use these pictures without identifying the student in various publications including the school yearbook, school newspaper, school information flyers or newsletter and the school website. No consent or notice is needed or will be given before the school uses pictures of unnamed students taken while they are at school or a school related activity. The district is not responsible for photographs taken of students by other students or other individuals without the consent of district staff.

On occasion school officials may want to identify a student in a school picture. Examples include but are not limited to, acknowledgement of students who participated in a school activity or acknowledgement of students who deserve special recognition. In order for the school to publish a picture with a student identified by name, the student's parent or guardian must sign the consent form included at the beginning of this handbook.

**School bus videos are discussed in the pupil transportation section of this handbook.**

## **TRANSPORTATION REIMBURSEMENT ELIGIBILITY REQUIREMENTS**

This program is for parents/guardians to whom free busing is not provided. It is also utilized by parents/guardians that live less than 1.5 miles from the school and have a Serious Safety Hazard approval on file with their Regional Office of Education. The reimbursement rates are usually prorated, and are paid out on a per pupil basis.

### **Purpose and Eligibility**

The purpose of the Parent/Guardian Pupil Transportation Program is to reimburse parents or guardians of eligible students for qualified transportation expenses. Statutory authority for this program can be found in the Illinois School Code at 105 ILCS 5/29-5.2 Student eligibility criteria for this initiative includes the following:

1. The pupil must be under age 21 at the close of the school year;
2. The pupil must be a full-time student in grades K-12;
3. The pupil must live either: 1) 1 1/2 miles or more from the school attended; or 2) within 1 1/2 miles of the school attended, where a verified safety hazard exists (similar to the safety hazard mechanism in regular/vocational transportation reimbursement); and
4. The pupil did not have access to transportation to and from school provided entirely at public expense.

If a student lives within 1 1/2 miles of the school attended, where a verified safety hazard exists, an Application for Determination for Serious Safety Hazard must be filed with the Regional Superintendent in your area by February 1 each year. If a serious safety hazard is verified by the Illinois Department of Transportation, the approval is valid for four years.

Parent/Guardian Transportation Claim forms are mandated to be filed electronically via the Illinois State Board of Education (ISBE) Web Application Security System (IWAS) located on the ISBE homepage at [www.isbe.net](http://www.isbe.net).

IMPORTANT NOTE TO PARENTS: PLEASE DO NOT TRY TO FILE A PARENT/GUARDIAN CLAIM INDIVIDUALLY. YOU MUST GO TO THE SCHOOL THAT YOUR CHILD ATTENDS IN ORDER TO FILE A CLAIM. THE SCHOOL IS THE ONLY ENTITY THAT CAN TRANSMIT A PARENT/GUARDIAN CLAIM ELECTRONICALLY VIA THE IWAS SYSTEM.

Parents can submit claim information at the attendance center their pupil attends until June 30 each year.

If you now receive food stamps or TANF (Temporary Assistance for Needy Families) for your child(ren), we will receive Direct Certification from the state showing their eligibility to receive free meals. If you don't have Direct Certification from the state you will need to fill out an application showing total household income and household size. If household income is the same or less than the amounts on the Income Chart listed on the application, your child(ren) can receive free or reduced meals. A foster child may receive free meals regardless of your income.**

School officials use the information on the application only to decide if your child(ren) qualifies for free or reduced meals. All applications are confidential.

In the operation of the child feeding programs, no child will be discriminated against because of race, sex, color, or national origin; age or handicap. If you believe you have been discriminated against, write to the Secretary of Agriculture, Washington D.C. 20250.

Parents/guardians are informed as soon as possible if their application is approved or denied. You may talk to school officials if you do not agree with the school's decision on your application or the results of the verification. You also may ask for a fair hearing. You may do this by writing **Mr. Ken Bernard, School Board President, 1526 N. 19<sup>th</sup> Road, Grand Ridge, IL 61325.**

Your eligibility may be checked by school officials at any time during the school year. School officials will ask you to submit papers showing that your child(ren) should receive free or reduced price meals.

## **WAIVER OF FEES**

You may be eligible for a waiver of student fees if you receive public aid; if your gross income is under that set amount in the federal guidelines for free or reduced price lunches; or if you are otherwise able to establish that you cannot afford to pay these fees. Applications requesting waiver of fees can be picked up in the main office and should be submitted to the Principal. The use of false information to obtain such waiver is a felony under Illinois law. Any inquiries should be directed to the Principal.

## **PARENT NOTIFICATION OF MEDICAID CLAIM**

Medicaid reimbursement is a source of federal funds approved by Congress to help school districts maintain and improve special education services. Therapy and diagnostic services provided to your child are partially reimbursable. Unless you object in writing, Grand Ridge School will claim Medicaid/KidCare reimbursement for services provided. These claims will have no impact on your ability to receive Medicaid funding either now or anytime in the future. If you do not object to this release of information related to Medicaid claims for your child, no further action is necessary on your part. **Regardless of your decision to object or not object to the district's release of information to Medicaid, the district must continue to provide, at no cost to you, the services listed in your child's IEP. You will be asked to sign a release if this reimbursement becomes necessary with your child.**

## SCHOOL INSURANCE

Insurance covering accidents during the school day and on the way to and from school is available. A twenty-four hour coverage plan is also available. Insurance forms are available each year at registration or may be picked up anytime during the school year in the office. This insurance is intended to be a secondary insurance to your primary health coverage. If you have no medical coverage, this would be your child's primary coverage.

Students participating in athletics and cheerleading must be covered by their parent's insurance and the parents must sign a waiver stating this or they must purchase school insurance. No athlete or cheerleader will be allowed to practice until proof of insurance is shown.

## PUPIL TRANSPORTATION SERVICES: ILLINOIS CENTRAL SCHOOL BUS (815-673-1100)

### Instructions to Bus Riders

Students must understand and accept the responsibility that is theirs when they ride the bus. The bus rides before and after school are extensions of the school day. The rules and the discipline apply to time students spend riding the bus to and from school and also on field trips. Reminder: It is a privilege to ride the bus, and this privilege can be lost if the student does not behave.

School bus riders, while in transit, are under the jurisdiction of the bus drivers, unless the Board of Education designates some other adult to supervise the riders. **The drivers of Illinois Central School Bus are entrusted with the health, safety and welfare of each passenger riding the buses.** Drivers will not tolerate any behavior that distracts or prevents them from driving safely. The goal of the drivers is to make sure passengers receive safe transportation. The bus policy refers to any student riding the bus at any time. Children riding home with a friend on a bus are included. **Please talk to your child about the program and stress the importance of good behavior on the bus for their own safety, as well as the safety of others.**

### Policy on Parent Boarding Bus

**At no time is a parent to board the bus to handle any discipline matter without the express permission of the bus driver. Such an unauthorized boarding threatens the safe operation of the bus and/or its occupants. A parent may enter if the bus driver gives permission to assist or if there is an emergency such as a bus accident.** If a parent has a concern with any issue on the bus, the proper procedure is to first discuss the concern with the bus driver. If a satisfactory consensus is not reached, then the parent should bring the matter to the attention of the **bus company (815-673-1100)** and then, if a satisfactory consensus is not reached, to the principal who handles transportation and discipline issues. If a satisfactory consensus is still not reached, then the parent should bring the matter to the attention of the superintendent. If it is still not resolved, the parent should bring the matter to the attention of the Board of Education, who will render the final decision regarding the disputed matter.

## **Bus Rules**

**Remember that all of the school's discipline code and demerit system (loss of privileges) applies to behavior on the bus. Do not violate any of the rules contained in the school's discipline code while riding the bus.** The following list of rules will also be enforced and the following procedures will be carried out when these rules have been broken.

1. Be on time at the designated bus stop. Help keep the bus on schedule.
2. Stay off the road at all times while waiting for the bus. Remember to wait for the bus to come to a complete stop.
3. Go directly to your seat and do not leave your seat while the bus is in motion.
4. Listen to the bus driver and follow the driver's instructions at all times. Be alert for a danger signal from the driver.
5. Keep your hands and head inside the bus at all times. Do not throw anything on, in or out the window.
6. Remember, loud talking, laughing, or unnecessary noise while riding on the bus may divert the driver's attention and could result in a serious accident.. Talk softly and be absolutely quiet at railroad crossings.
7. Vandalism or damage to the bus and/or bus equipment will be repaired by the individual responsible and/or legal action will be taken.
8. Assist in keeping the bus safe and sanitary at all times. Eating is not allowed in the bus.
9. Keep books, packages, coats, and other objects out of the aisles.
- 10. Respect other students and the driver. Threatening of student(s) or driver, swearing or verbal abuse, willful disobedience or fighting could result in a bus suspension and/or school suspension.**
11. Do not ask the bus driver to stop at places other than your regular stop unless you have a written bus note from school. Also, do not get on another bus without proper authorization.

**If one or more rules are broken, these are the consequences which may be administered by the bus driver:**

**Verbal Warning**

**Assigned to another seat**

**Written Referral (see bus suspensions on next page)**

**Driver may skip steps depending upon severity, or repetition of rule violated.**

**The school administration reserves the right to issue disciplinary consequences, up to and including suspension from the bus and demerits for bus violations, school suspensions, in addition to those imposed by the bus driver for students who violate the bus rules.**

## **Bus Permits**

**Grades K-5:** Students should have a note from their parent if they are not riding the bus home, taking another person on their bus, getting off or on at any stop other than their own, or riding another bus. The note is to be brought to the school office and the student will be given a permit to give to the bus driver. **Any more than two students riding home with another child should be picked up by a parent after school.**

**Grades 6-8:** A note from the parent is required if the student wishes to ride another bus, get off or on at a stop other than their own, or take another student home with them. A note should be brought to the office and the student will be given a bus permit

### **Video Cameras on School Buses**

Video cameras are installed on all the buses. The cameras are being used to record both the audio and video of what occurs on the school buses. The electronic recordings may be used to monitor conduct and to promote and maintain a safe environment for students and employees when transportation is provided for any school related activity. By permitting their student to ride the school bus, parents/guardians consent to the audio and visual recording of their child while on the bus. In addition, by permitting their student to ride the school bus, parents/guardians consent to disclosure and viewing of the tape by authorized persons as described below for school purposes.

Video recordings may be viewed to investigate an incident reported by a bus driver, administrator, supervisor, teacher, student or other person. They may also be viewed at random. **An electronic video or audio recording may be reused or erased in the normal course of business, unless it is needed for an educational or administrative purpose.**

Information recorded on the school bus videotapes is considered to be for official use only. Only those people with legitimate educational or administrative purpose may view the videotapes. In most instances, individuals with a legitimate educational or administrative purpose will be the Board of Education, Superintendent, Principal, Transportation Director, Transportation Safety Director, sponsor, coach or other supervisors and such persons are authorized to view all videotapes. Persons authorized in this paragraph to view these videotapes may show relevant portions to drivers or students or group of students, their parents or guardians to promote transportation safety, to identify disruptive behavior of bus riders and or to document activities of bus drivers or bus riders during transport.

The video tapes will not be used for general showings to individuals or to groups, nor will they be given to the media. If the content of a video tape becomes the subject of a disciplinary hearing, it will be treated like other evidence in the proceeding.

The use of video cameras on a school bus is an aide to monitor bus discipline. It does not replace the discipline policy, the authority of the driver, or the responsibility of the school officials.

### **BUS DISCIPLINE**

**For a bus offense, conduct detentions may be given. Please see the explanation of the conduct demerits on page 41. In any event, the District may suspend a student from riding the bus in excess of 10 school days for acts of gross disobedience or misconduct which impact student/driver safety.**

### **EYE /PHYSICALS/ DENTAL EXAMS & IMMUNIZATIONS**

#### **Eye Examinations**

All children enrolling in kindergarten and any student enrolling for the first time in a public, private or parochial school in Illinois on or after January 1, 2008 shall have an eye examination. Proof of having been examined by a physician licensed to practice medicine in all its branches or a licensed optometrist within the previous year must be submitted to the school by the first day of school. **If proof of an eye examination is not presented by the first day of school, the student will not be allowed to attend.**

An Eye Examination Waiver Form (described below) is presented to the school.

Parents who object to an eye examination on religious grounds shall not be required to submit their child to the examination if the parent presents to the building principal a signed statement of objection detailing the grounds for the objection.

Children who show an undue burden or a lack of access to an optometrist or to a physician who provides eye examinations shall receive a waiver from the requirement for an eye examination. A waiver form may be obtained from the Principal or his/her designee. An undue burden or lack of access to an optometrist or to a physician who performs eye examinations includes but is not limited to, the following circumstances:

The child is enrolled in the free and reduced lunch program under the School Breakfast and Lunch Program Act and is ineligible for Public Assistance (Medicaid/ALLKIDS).

The child is enrolled in Medicaid/ALLKIDS, but the parent or guardian is unable to find an optometrist or physician in the community who accepts Medicaid/ALLKIDS and who is able to see the child.

The child does not have any type of medical or vision/eye insurance coverage, and there are no low-cost clinics in the community that provide eye examinations as required by the Illinois School Code and Department of Public Health Regulation 665.620 and that will see the child.

### **Physical Exams**

Students entering kindergarten and 6th grade; as well as students transferring from an out-of-state school, are required by the Illinois School Code to have a recent physical exam on file in the school office by the first day of school. Students will not be allowed to attend school until the physical examination form is on file in the school office, or an appropriate objection based on religious or medical grounds has been submitted by the parent/guardian and approved by the Superintendent or his designee. **Presenting proof by the first day of school that an appointment has been scheduled in the future for the physical examination and/or immunization is not sufficient. The student will be excluded from school until the physical examination form and/or immunization form is on file in the school office unless otherwise permitted by statute.**

### **Dental Examinations**

**The Grand Ridge Board of Education require that all students in kindergarten, 2<sup>nd</sup> and 6<sup>th</sup> grades shall have a dental examination and present proof of having been examined by a dentist before the first day of school in January after winter break.**

### **Immunizations**

Students entering kindergarten and 6th grade must provide proof of having received immunizations against preventable communicable diseases as required by the Illinois Department of Public Health by the first day of school. **Students will not be allowed to attend school until the required immunization form is on file in the school office or an appropriate objection based on religious or medical grounds has been submitted by the parent/guardian and approved by the Superintendent or his designee.**

In addition to other required immunizations, all kindergarten students must have a lead screening and chicken pox vaccination, and proof of this must be written on the immunization form in the appropriate place. Immunization records will be checked at the beginning of the school year. If any immunizations requirements are lacking, the parents will be notified, and it could cause exclusion from school.

In the case of a transfer student, a period of 30 calendar days beginning with the first day of enrollment in the district shall be given to meet the immunization and physical/dental examination requirements.

### Athletic Physicals

Students participating in athletics and/or cheerleading are required to have a physical exam each year. These exams must be completed before a student can practice or participate in athletics or cheerleading.

### VISION SCREENING

The school gives a vision screening in the fall. Section 5/27-8.1 of the School Code requires the school to inform parents/guardians that vision screening is not a substitute for a complete eye and vision evaluation by an eye doctor. Your child is not required to undergo this vision screening if an optometrist or ophthalmologist has completed and signed a report form indicating that an examination has been administered within the previous 12 months.

### CAUSES FOR EXCLUSION FROM SCHOOL

1. **Students may be excluded from school if they do not have the required physical exam, eye exam, or the proper immunizations by the first day of school. Required dentals are due the first day of school after winter break in January.**
2. Students may be excluded from school if they are identified as having a communicable disease and pose a threat to the school population. We ask that parents notify the office if their child has a communicable disease.
3. Students are checked for head lice and/or nits. The school conducts a school-wide head check at the beginning of the school year, after Christmas break and after Spring break. Students who are found to have head lice or nits are sent home for treatment. **Treatment should be immediate and the child(ren) should return the following day.** Students returning after treatment are checked and can return to their classroom if they meet the guidelines established by the LaSalle County Health Department

### MEDICATION INFORMATION

Parents and/or guardians have the primary responsibility for administering medication to their children. Administering medication during school hours or a school related activity is discouraged unless it is necessary for the critical health and well-being of the student.

If the student must receive medication during the school day in order to maintain the child in school, the following rules apply:

1. Parents must bring medication (including over-the-counter cold medication and aspirin) in its original container to the school office at the beginning of the school day with a note specifying dosage and time to be given. Empty prescription bottles will be sent home with the student.
2. Prescribed medication will not be given by school personnel unless brought in by the parent with a Medication and Authorization Form from a physician stating the reason it is to be given, instructions for administering, and the side effects. The medication is to have the student's name on it, be in its original container, and be brought to the school's office. If a spoon is necessary, please provide one. If this medication must be taken at home and requires the student to take it home each night, please send (in its original container) only the amount he/she will need for the school day.

3. If a student will be on medication throughout the school year, then the parent and doctor must sign a Medication Authorization Form available in the school office at registration or anytime during the school year.
4. With any new medication, the initial dose will not be administered by the school. This must be given at home or in the doctor's office.
5. Students are generally not allowed to self medicate. Exceptions would be those students needing asthma medication (inhalers), or epi-pens for allergic reactions to bee stings, **or medication for the management of diabetes**. A Self Administration of Medicine Form will need to be filled out by the prescribing physician(s,) and the parent or guardian, and kept on file.
6. Under no circumstances will medications, either prescription or over-the-counter, be distributed unless the above guidelines are met.
7. For more information regarding the medication policy, see the Administrative Regulations Governing Non-Emergency Administration of Student Medication and Emergency Medical Care, it will be available in the office during the school year.

### **ASTHMA MEDICATION/SELF ADMINISTRATION**

Pursuant to Section 5/22-30 of the School Code, schools are required to permit the self-administration of medication by a student with asthma or the use of an epinephrine auto-injector by a student provided that:

1. the parents of the student provide to the school written authorization for the self-administration of medication or use of an epinephrine auto-injector ; and
2. the parents provide to the school a written statement from the student's physician, physician assistant, or advanced practice registered nurse containing the following information:
  - a. the name and purpose of the medication or epinephrine auto-injector;
  - b. the prescribed dosage; and
  - c. the time or times at which or the special circumstances under which the medication or epinephrine auto-injector is to be administered.

Parents are hereby informed that the school district and its employees and agents shall incur no liability, except for willful and wanton conduct, as a result of any injury arising from the self-administration of medication or use of an epinephrine auto-injector by a student.

The authorization form for self-administration of medication may be obtained from the school office. The permission for self-administration of medication or the use of an epinephrine auto-injector is effective only for the school year for which it is granted and must be renewed each subsequent school year.

### **THE CARE OF STUDENTS WITH DIABETES ACT**

**Under the *Care of Students with Diabetes Act* ("Act") (105 ILCS 145/1 et. Seq) a parent or guardian must submit a Diabetes Care Plan to the school for any student who seeks assistance with diabetes care in the school setting or who has been managing his or her diabetes care in the school setting.**

**Under the Act, specific information must be provided in the Diabetes Care Plan such as physician instructions for the student's diabetes management and designation of appropriate school staff who will provide and supervise services for the student. Therefore, parents and guardians are**

encouraged to collaborate with the student's physician and school personnel in the creation of the plan.

The Diabetes Care Plan must be submitted to the school at the beginning of each school year, upon enrollment, as soon as practical following a student's diagnosis, or when a student's care needs change during the school year. It is the parent or guardian's responsibility to inform the school in a timely manner of any changes to the Diabetes Care Plan recommended by the student's physician.

In addition to the Diabetes Care Plan, parents must also complete forms provided by the school district regarding authorization for the administration of medication and authorization for designated district representatives to communicate directly with the student's physician regarding the necessary management of the student's diabetes.

To assist the school district in safely transporting the student, the Act also requires that an information sheet be provided to any school employee who transports a student for school-sponsored activities. The information sheet identifies potential emergencies that may occur as a result of the student's diabetes and the appropriate responses to such emergencies. Parents must assist the district in the completion of the transportation information sheet by providing the information and authorizations necessary to complete the form.

To begin the process of completing the Diabetes Care Plan and other required documents the Parent or Guardian must contact the building principal.

### **LIFE THREATENING FOOD ALLERGY MANAGEMENT PROGRAM**

The District has implemented a policy and procedures for managing students with life threatening food allergies. If your student has a life threatening food allergy you must inform the Building Principal and submit the necessary health information and medication authorization forms to the school. A meeting will then be scheduled to review the health information submitted by the student's physician, assess the student's allergy management needs and develop an individual health care plan and emergency action plan for the student. An individual health care plan indicates the steps the school will take to accommodate the individual needs of the student with a life threatening food allergy in school and at school related activities. The accommodations provided in an individual health care plan will depend on the age of the student, the allergens involved and the facilities at the school. An emergency action plan indicates the specific treatment steps school personnel will take if a student has a life threatening allergic reaction while at school or at a school related activity.

### **OTHER SPECIAL MEDICAL CIRCUMSTANCES**

If your child has a seizure plan, please notify the school and give the Principal a copy of the plan so teachers and staff can be informed.

If your child has food allergies, please let the Principal know and list the specific allergies on the school physical form, so we can inform necessary school staff.

**If your child has any other type of allergies (bee stings, mold, animals, etc) or medical or emotional conditions which may impact the student’s education, please notify the Principal.**

### **INJURIES AND ACCIDENTS**

All accidents which require medical attention that occur at school must be reported to the main office immediately. Students or teachers should report the details as soon as possible. Under no circumstances should a student leave the building because of injury unless leaving with parent or his/her designee. When possible, in most cases, the parent will be notified by the office when their child is injured.

### **HOME/HOSPITAL INSTRUCTION**

**A child may qualify for home or hospital instruction if it is anticipated that, due to a medical condition, the child will be unable to attend school, and instead must be instructed at home or in the hospital, for a period of 2 or more consecutive weeks or on an ongoing intermittent basis. “Ongoing intermittent basis” means that the child’s medical condition is of such a nature or severity that it is anticipated that the child will be absent from school due to the medical condition for periods of at least 2 days at a time multiple times during the school year totaling at least 10 days or more of absences. Such students should be referred to the Superintendent’s office. Parents making such a referral must submit a written statement from a physician licensed to practice medicine in all of its branches stating the existence of such medical condition, the impact on the child’s ability to participate in education, and the anticipated duration or nature of the child’s absence from school. It will then be the responsibility of the school district to determine if such instruction is warranted.**

### **STUDENT SOCIAL AND EMOTIONAL DEVELOPMENT**

Recognizing that “children’s social development and emotional development are essential underpinnings to school readiness and academic success”, the Illinois legislature passed the Children’s Mental Health Act of 2003. This Act requires school districts to “develop a policy for incorporating social and emotional development into the district’s educational program.” It also requires protocol for responding to children with social, emotional, or mental health problems that impact learning ability. You may contact the building Principal to obtain a copy of the District’s Protocol for Responding to Students with Social, Emotional or Mental Health Problems (7:250-AP2).

### **TEEN DATING VIOLENCE POLICY**

**As required by state law, the Board of Education of Grand Ridge CCSD No. 95 has adopted Board Policy 7:185, which prohibits teen dating violence; incorporates age-appropriate education about teen dating violence in grades 7 and 8 and establishes procedures for the manner in which school employees are to respond to incidents of teen dating violence that take place at the school, on school grounds, at a school sponsored activity or in vehicles used for school–provided transportation. Teen dating violence means a pattern of behavior in which a person uses or threatens to use physical, mental or emotional abuse to control another person who is in a dating relationship with the person where one or both persons are 13 to 19 years of age or behavior by which a person uses or threatens to use sexual violence against another person who is in a dating relationship with the person where one or both of the persons are 13 to 19 years of age. A copy of Board Policy 7:185 can be obtained by contacting the building principal or Superintendent.**

## ISOLATED TIME OUT/PHYSICAL RESTRAINT POLICY

This administrative procedure applies to all students. Isolated time out and physical restraint shall be used only as a means of maintaining discipline in schools, that is, as a means of maintaining a safe and orderly environment for learning and only to the extent that they are necessary to preserve the safety of students and others. Neither isolated time out nor physical restraint shall be used in administering discipline to individual students, i.e., as a form of punishment. The use of isolated time out and physical restraint by any staff member shall comply with the Illinois State of Education rules, Section 1.285, "Requirements for the Use of Isolated Time Out and Physical Restraint." Isolated time out and physical restraint are defined as follows:

**Isolated time out** - the confinement of a student in a time-out room or some other enclosure, whether within or outside the classroom, from which the student's egress is restricted.

**Physical restraint** - holding a student or otherwise restricting his or her movements. Restraint does not include momentary periods of physical restriction by direct person-to-person contact, without the aid of material or mechanical devices, accomplished with limited force and designed to: (1) prevent a student from completing an act that would result in potential physical harm to himself, herself, or another or damage to property; or (2) remove a disruptive student who is unwilling to leave the area voluntarily.

## CURRICULUM

The parents/guardians have the right to review instructional material (20 USC/1232h) used or provided by their child's classroom teacher.

Written notice to parents/guardian of instruction in recognizing and avoiding sexual abuse will be sent home before the class begins (105 ILCS 5/27-13.2). Parent can request in writing an alternative program for their child.

Instruction on donor programs for organ/tissue, blood donors and organ transplantation, diseases and family life instruction may be taught in certain grades. If you do not want your child to participate in these classes or courses you must contact your child's classroom teacher and complete a class attendance waiver request (Form 6:60-E).

Pursuant to School Code Section 27-9.1, each class or course in comprehensive sex education offered in any of grades 6 through 8 shall include instruction on both abstinence and contraception for the prevention of pregnancy and sexually transmitted diseases, including HIV/Aids. No student shall be required to take or participate in any class or course in comprehensive sex education if his parent or guardian submits written objection thereto. Parents will be notified prior to classroom instruction in sex education and AIDS education and sufficient time will be provided to allow parents to opt out of the instruction if so desired. In addition, an opportunity shall be afforded to parents or guardians upon their request to examine the instructional materials to be used in such comprehensive sex education class or course.

## PHYSICAL EDUCATION POLICY

Physical Education is mandated by Illinois School Code, Section 27-6. Students in grades K-8 will need a pair of gym shoes for use in their physical education class. These shoes may not be worn for any other activities. Do not purchase shoes with black soles unless they are identified by the manufacturer as not leaving marks.

**Students in grades 6-8 will be required to purchase gym shorts and a grey T-shirt are available for purchase in the office. The cost for T-shirts is \$10.00 and the shorts are \$10.00. Girls and boys also need gym socks, which are socks not worn to school. Any color of footies will be allowed. Only black, white, or maroon crew socks (mid-calf) will be allowed. Any color sweat shirts and pants will be accepted, as long as they have not been worn to school.**

Gym locks are available (no charge), but must be returned at the end of the school year. Locks that are lost must be paid for. Students may also provide their own lock (combination lock only).

A student will be excused from participating in P.E. due to an injury or illness for **two** (2) days with a signed note from a parent or guardian. If it is necessary to be excused from P.E. for a longer period of time, a signed doctor's statement is necessary. The note must specify the duration of nonparticipation.

## DRUG PREVENTION

The school offers Violence and Drug Prevention Efforts and a Safe and Drug Free School Programs provided by the No Child Left Behind Act. The school also provides drug prevention education through **the North Central Behaviors at the junior high level.**

## ELECTIVE CLASSES

Junior High students are offered several elective classes, including Band and Choir. These classes give grades that apply toward eligibility, so parents must approve and sign permission slips for the classes. The teachers will give students wishing to participate in these classes, informational letters stating what is expected of them. Students will be given a two-week trial period for these classes to decide if they wish to remain in the class for the term. After the trial period, students are required to complete the course. Anyone dropping an elective course after the trial period will be subject to having his or her grade lowered. The participation letters must be signed by the parent and student, agreeing to the guidelines of the class, and returned it to the teacher. Students involved in Band will be given a two-week trial period after they receive their instruments. A longer trial period may be granted with the recommendation of the teacher. Elective classes are designed for students who are serious about being in them and plan to pursue band or choir throughout junior high and high school.

## GRADING SCALE

Following is the grading scale for Grand Ridge Grade School:

### Percentage Grade

92 – 100 - A  
82 – 91 - B  
72 – 81 - C  
62 – 71 - D  
61 – Below-F

## REPORT CARDS

Report cards for students in grades K-8 are sent home four times a year. These reports help inform parents of their child's progress. Any questions should be directed to your child's teacher by calling the office and setting up a parent conference. The report card sheet is to be signed by a parent and returned to the homeroom teacher.

**Report cards will be distributed four times per year:**

- (1) Parent/Teacher Conferences – October 21 & 22.**
- (2) January 15th (End 2<sup>nd</sup> quarter)**
- (3) March 18 (End 3<sup>rd</sup> quarter)**
- (4) May 25 – Report Card Day (This is subject to change based on the use of emergency days)**

Grades 1-8 will send grade sheets/deficiency notice home with students in the middle of the nine-week grading period so parents are aware of any potential problems. **Midterms are Sept 16, November 18, February 10, and April 20.** These dates are subject to change due to emergency or snow days.

Failure in three basic **core** subjects may result in retention of a student. The core classes are English, Spelling, Reading, Arts, Math, Social Studies and Science. Section 10-20.9 of the School Code mandates that school districts shall not promote students to the next higher grade level based upon age or any other social reasons not related to the academic performance of the student. Parent(s)/ Guardian(s) will be notified in a timely manner if this is a possibility with their child(ren). Failure in three subject areas may result in a student attending summer school if offered by the district.

Any eighth grade student who does not meet the standard for successful completion of eighth grade, will not be promoted. The School Code specifies that no pupil shall be graduated from the eighth grade of any public school unless he has received specific instruction in the history of the United States and gives evidence of having a comprehensive knowledge thereof (5/27-21). Section 27-3 of the School Code requires that American patriotism and the principles of representative government as enunciated in the American Declaration of Independence, the Constitution of the United States of America and the Constitution of the State of Illinois shall be taught in all public schools and no student shall receive a certificate of graduation without passing a satisfactory examination upon such subjects. Therefore, 8<sup>th</sup> grade students at GRCCSD95 must pass both the Illinois and US Constitution tests in order to be eligible for graduation.

## HONOR ROLL

Students in grades 6, 7, & 8 are eligible for placement on the Honor Roll. Students receiving 3.0 or higher are named to the Honor Roll and students receiving 3.5 or higher are named to High Honor Roll. Students receiving straight A's will be specially recognized.

An A = 4 points, a B = 3 points, a C = 2 points, and a D = 1 point. A student receiving an F, or a 4 in conduct will be eliminated from the Honor Roll and High Honor Roll .

## GRADUATING STUDENTS VALEDICTORIAN & SALUTATORIAN

Maintaining a 3.5 grade point average (on a 4.0 scale) in the classes all students have in common, from **6<sup>th</sup> through 8<sup>th</sup> grade**, determines the honor students for the 8<sup>th</sup> grade graduating class. Maintaining the highest grade point average of the graduating class determines Valedictorian and the Salutatorian is determined with the second highest grade point average. **If there is a tie, 5<sup>th</sup> grade grades will also be looked at to determine Salutatorian and Valedictorian.**

Prior to graduation, the Grand Ridge School administration and school board will certify that eighth graders have met all requirements for graduation. These students will be eligible to participate in the graduation ceremony. Students who do not meet all requirements for graduation will not be eligible to participate in the ceremony and may be retained. Improper conduct could also result in the loss of the privilege of attending the graduation ceremony and dance. (Loss of Privileges, later in policy) The graduation ceremony at Grand Ridge Grade School is a tradition, not a requirement.

### HOMEWORK POLICY FOR STUDENTS IN GRADES 4-8

Homework really does make a difference in a student's performance. Research shows that the time spent on homework directly affects one's achievement. This is important information. It tells you that by doing your homework you will increase your skills and do better in school.

**Student:** Homework teaches you responsibility. By doing homework you are responsible to make sure it is done so you learn to plan, you learn to manage your time, and you learn to be on time by turning your homework in when it is due. Homework helps you learn the skills you must develop if you are to grow to be independent, motivated, and successful adults. Through homework, you learn to follow directions, work on your own, and how to begin and complete a task.

**Parents:** Homework also provides a valuable link between parents and the school. Homework assigned by the teacher lets parents know what their child is learning in school. Parent's support and motivation is an important factor in your child's success. **While the student should assume the major responsibility for completing homework assignments, parents are encouraged to take an active interest in the student's homework by:**

- Providing a study area that is quiet, comfortable and free of major disturbances.
- Providing a definite time for study or other activities.
- Assisting students with drill.
- Checking the student's work for neatness and legibility.

### HOMEWORK COMPLETION ACTIONS:

**Homework is due the day after it is assigned, unless otherwise stated by the teacher.**

**If a student does not have his or her homework upon the due date, then the following steps will be taken. Not completing weekly A.R. goals will not count toward the following procedure.**

1. **Students in morning classes can complete and submit the missing assignment prior to lunch recess that they are assigned.**

2. **If student does not complete and submit homework prior to lunch recess, then student will stay in at the upcoming lunch recess to complete the homework.**
  - a. **If the missing assignment occurs during the morning classes, then the lunch recess will be the same day.**
  - b. **If the late assignment occurs during afternoon classes, then the lunch recess will be the following day.**
  - c. **The teacher must communicate with the lunch supervisor which students will be required to stay in for lunch recess.**
  - d. **Student will be responsible for submitting his or her completed work to the appropriate teacher.**
3. **Students who do not finish the work during the lunch recess, will then be responsible for completing this homework on their own time.**

### **Grading Actions**

If a student does not have his or her homework upon the due date, then the following reductions may apply.

1. A 10% deduction will be given for any homework turned in after the due date but within the next 24 hours.
2. A 50% deduction will be given for any homework turned in after the 24 hour time period.
3. A zero will be recorded for assignments that have not been turned into the teacher.

### **Strike Policy**

Homework is due the day after it is assigned, unless otherwise stated by the teacher.

The Strike Policy is as follows:

1. If no work is turned in, a homework strike is given.
2. If a student has a second late assignment, the same policy will be followed as for the first late assignment.
3. Upon receiving a third strike (late assignment) per subject in a nine-week grading period, a homework detention will be issued.
4. A homework detention will be given for each additional homework assignment turned in late per subject for the remainder of the grading period.
5. At the beginning of each nine weeks, the student will be given a clean slate or start over.

### **Absences**

1. For excused absences, the student will be given the same amount of days to complete assignments as they were absent.

2. In the event of a planned vacation inside the school calendar, homework should be requested a week in advance and should be completed the day the student returns. Any incomplete homework will follow the above policy.

This policy is the same for every teacher. Hopefully, your student will never earn a detention. By doing homework on time, your student is building good work habits that will benefit their work ethic later in life. If completion of homework needs to be addressed, please contact the student's teacher. Communication between parents and teachers is important.

### **HOMEWORK PROGRAM**

Students 4<sup>th</sup> – 8<sup>th</sup> are encouraged to attend the Homework Club if they are struggling academically. Participants in extracurricular activities in any of grades 4 through 8 who are receiving one F or three D's are required to attend the program. The time is from 3:00 to 4:00 p.m. on Monday and Thursday. The Homework Club Policy is available in the school office.

### **RESPONSE to INTERVENTION / PROBLEM SOLVING TEAM**

In our continuing efforts to improve the academic and behavioral performance of all students, Grand Ridge Community Consolidated School District 95 is implementing a district wide policy available to all students through Response to Interventions (RtI). RtI is a federal legislative initiative that public schools are required to implement to help all children. RtI is a means to intervene early, using high quality, scientifically researched based instructional and behavior supports in the general education setting to help the student before he or she fails. This process provides interventions and educational support to all students at increasing levels of intensity based on their individual needs.

To facilitate this problem solving process the district's K-8 students are assessed/benchmarked three times a year using AIMS Testing in reading and math. Based on a student's scores, classroom performance and teacher recommendation he/she is placed in a group that may get further interventions. RtI model consists of three tiers of instruction/intervention and each tier offering services more intensive than the tier below it. Tier I is general education in the classroom. Tier II is an additional 20 to 30 minutes/day of time to improve an academic area. Tier III is additional 20 to 30 minutes/day for students needing additional time to get on track academically. Instruction and interventions are proven to improve student performance by increasing reading fluency, reading comprehension, and/or math skills. RtI is also used for students who have behavioral problems as well as students with academic concerns. Grand Ridge uses Positive Behavior Interventions and Supports (PBIS) for the behavioral portion of RtI.

If a child has been determined to need a Progress Monitoring Plan (PMP) for academic difficulties or Behavioral Support (example: Check In Check Out; CICO) for behavioral concerns the parent(s)/guardian(s) will be notified by a letter. **The researched based intervention, Social Academic Instructional Group (SAIG), Brief Behavioral Intervention Plans (Brief BIP) will allow a child to work at his/her current ability level and gain skills that are necessary to be a more successful student.** In order to accurately assess student progress, the intervention needs to be in effect for a minimum of 3-6 weeks before they are changed, modified or discontinued. Many students require 2 to 8 quarters to see significant improvement in his/her skills and no longer need an intervention.

The goal of RtI is to provide a child with everything he or she needs to achieve at grade-level without the need for special education services. While some children who enter the RtI process ultimately require special education support, the vast majority become successful without it. As we work with children the parent(s)/guardian(s) may be asked to attend a meeting to further discuss their child's progress and/or discuss how we can best meet your child's need. Grand Ridge School faculty are wanting to help children be more successful in school. If parents have any questions feel free to contact your child's teacher.

Problem Solving Team: (PST) is a multidisciplinary team that will address concerns about students referred to them due to either academic or behavioral reasons within the classroom setting. The PST will review cases and try several interventions (RTI-Response to Intervention) before special education placement would be considered. The multidisciplinary team will review the student's response to the interventions in making decisions concerning programming. It should be noted that special education is entirely separate from the PST, and those students having been through the PST process are not automatically considered for special education.

The PST could include the following individuals: the teacher involved with the student, principal/superintendent, school psychologist, social worker, a special education teacher related to that child's grade level, and the parent(s). The individuals involved in the meeting will vary depending upon the child's needs.

This is to be considered a process, not an immediate solution, and may take several weeks of trying different ideas and testing their effectiveness. Cases will be continually monitored to maintain optimal success.

A teacher or parent can request that the PST see a child by initially referring that student to the teacher and/or principal. Parents will be notified of any referrals and times of meetings and process implementations.

### **SPECIAL EDUCATION PROGRAMS & SERVICES/504 SERVICES**

Grand Ridge Grade School belongs to LaSalle County Educational Alliance for Special Education. This is to inform you that comprehensive special education programs and services are currently available within our local district or within the other districts of the L.E.A.S.E. special education joint agreement. This includes services to students of nonpublic and parochial schools living within the district.

The District shall provide a free appropriate public education and necessary related services to all children with disabilities residing within the District, as required by the Individuals with Disabilities Education Act (IDEA) and implementing provisions of The School Code, Section 504 of the Rehabilitation Act of 1973, and the Americans with Disabilities Act. The term "children with disabilities," as used in the District's policy, means children between ages 3 and 21 for whom it is determined, through definitions and procedures described in the *Illinois Rules and Regulations to Govern the Organization and Administration of Special Education*, that special education services are needed.

The District offers all eligible students between the ages of 3 and 21 a comprehensive program which includes systematic procedures to identify and evaluate those students eligible for special education and a

continuum of placement options available to the specific needs of students. If necessary, students may be placed in private educational facilities.

Parents have the right to request a referral for an evaluation to assess their child(ren) for possible special education intervention. Parental consent in writing is required prior to the District conducting an evaluation. If parents suspect that their child has a disability that is adversely affecting their child's education, parents should contact [Ted Sanders 815-249-6225]. **If parents would like a copy of A Notice of Procedural Safeguards For Parents/Guardians of Students With Disabilities (as of October 2009)", parents should contact [815-249-6225]. A booklet entitled, An Educational Rights and Responsibilities: Understanding Special Education in Illinois" (June 2009) may be obtained by writing to L.E.A.S.E. at 1009 Boyce Memorial Drive, Ottawa, Illinois 61350.**

It is the intent of the District to ensure that students who are disabled within the definition of Section 504 of the Rehabilitation Act of 1973 are identified, evaluated, and provided with appropriate educational services. Students may be disabled within the meaning of Section 504 of the Rehabilitation Act even though they do not require services pursuant to the IDEA.

For students eligible for services under IDEA, the District shall follow procedures for identification, evaluation, placement, and delivery of services to children with disabilities provided in the Illinois State Board of Education's Rules and Regulations to Govern the Administration of Special Education.

For those students who are not eligible for services under IDEA, but, because of disability as defined by Section 504 of the Rehabilitation Act of 1973, need or are believed to need special instruction or related services, the District shall establish and implement a system of procedural safeguards. The safeguards shall cover students' identification, evaluation, and educational placement. This system shall include notice, an opportunity for the student's parent(s)/guardian(s) to examine relevant records, an impartial hearing with opportunity for participation by the student's parent(s)/guardian(s), and representation by counsel, and a review procedure. Contact the building Principal for a copy of the description of rights assured by Section 504 to those disabled students who qualify under Section 504 but do not qualify under IDEA.

In addition to the rights provided in the District's section 504 procedural safeguards, parents/students may file a complaint with the Office for Civil Rights (OCR). The Illinois Regional Office for Civil Rights is located in Chicago at: Chicago Office for Civil Rights, US Department of Education, Citigroup Center, 500 West Madison Street, Suite 1475, Chicago, Illinois 60661. The phone number for OCR is 312-730-1560; TDD 877-521-2172. Their email address is OCR.Chicago@ed.gov. Student/parent complaints concerning Section 504 matters other than a student's identification, evaluation and/or placement under Section 504 are addressed in the District's Uniform Grievance Procedure described below.

If you have any questions about the availability of special education in Grand Ridge School District, please call 815 249-6225. If you have any questions about State or federal requirements or other programs in the L.E.A.S.E. Cooperative, please call Mary Jane Chapman, L.E.A.S.E. Director, at 815-433-6433 for this information.

## **SPEECH AND LANGUAGE SCREENING**

All students enrolled in school for the first time are required to have a speech and language screening. Students identified through the screening process will be referred for a case study evaluation to determine any specific need for special education services. Notification of the intent to initiate a case study or to provide district special education services is required for any child being considered for such special education services.

The speech therapist will also re-check students that do not require direct services, but have been identified as having potential speech and language concerns. Any questions regarding speech and language should be referred to the speech therapist.

While parents have the right to approve clothing for students to wear at home, the administration reserves the right to approve clothing worn at school. The determination made by the administration regarding appropriate dress at school is final. Students who violate this policy will be subject to disciplinary action. Students who fail to comply with the dress code policy may be subject to further disciplinary action.

1. On the first offense a student who wears clothing considered to be inappropriate will be sent to the Principal's Office and will be told to either change the clothing, turn the clothing inside out or the parent will be called and the student sent home. The office will provide shirts and sweatpants so students may remain at school when possible.
2. On the second offense students will automatically receive an after-school detention by the administration and will be required to follow the rules as listed in number one.
3. Upon subsequent offenses, students will be subject to additional disciplinary consequences as deemed appropriate by the administration.

#### **GRAND RIDGE POSITIVE BEHAVIOR INTERVENTIONS AND SUPPORTS (PBIS) PROGRAM**

PBIS is a proactive systems approach to preventing and responding to classroom and school discipline problems. PBIS will be implemented in all grades at Grand Ridge CCSD 95. Emphasis is directed toward developing and maintaining safe learning environments where teachers can teach and students can learn. In addition, student achievement improves when academic time is increased by a reduction in time spent with behavioral disruptions.

The District's building PBIS team designs matrices or expectations for appropriate behavior which are expected of all children within the classroom as well as in non-classroom situations such as the hallways, bathrooms, cafeteria and playground. The main expectations for students at Grand Ridge CCSD 95 are, "Be Respectful, Be Responsible, Be Safe, and Be Kind And Caring." These expectations are taught to the children through "Cool Tools" which are explained by the classroom teacher.

Students who violate the discipline code are still subject to penalties and appropriate discipline listed in this handbook.**

**The District will use data collected throughout the course of the year to monitor the effectiveness of the program. If you have any questions about the District’s PBIS program please contact the building Principal.**

### **CLASSROOM DISCIPLINE POLICY**

**Discipline is necessary to maintain a good environment for learning. PBIS expectations that are used throughout the school are be respectful, be responsible, be safe, and be kind and caring. Discipline actions that can be taken by the Teacher or Administrator are loss of privilege, conference with student, parent contact, time in the office, and a detention. The detention is a thirty**

**(30) minute detention after school. Other more serious discipline available are in school suspension, Saturday school detention, out of school suspension, and expulsion. ### **Gang Policy**

The Grand Ridge Board of Education affirms its position that District #95 shall provide an orderly place for learning. This policy, then, sets the parameters which will insure that all students attending Grand Ridge Grade School will be provided a safe environment which is conducive to all students reaching their educational potential while enrolled in our school. District #95 employs a "No Tolerance" approach to any and all gang-related activity.

"Gang" as it is used in this policy, will mean two or more individuals who associate with each other primarily for criminal, disruptive, and/or other activities which are prohibited by law or the local school district's discipline policy, student/parent handbook, as well as any other rules and regulations set by the school in a given school term. District policies and procedures may be revised and any changes will be reflected in the student/parent handbook, which is provided to all parents/guardians when the student is registered for school.

The visibility of gangs or gang-like activities in the school setting cause substantial disruptive and/or interference in the carrying out of the District's instructional program and therefore will not be tolerated.

### **Gang Related Dress or Insignias**

The District prohibits the presence of any apparel, jewelry, accessory, notebook, or manner of grooming which by the virtue of its color, arrangement, trademark, writing, image or any other attribute denotes or infers membership in any gang. The incidence of gang related activity or the possession of gang paraphernalia will be treated as gross disobedience or misconduct and/or disrespect and constitutes a major offense. Students may be suspended for up to ten (10) days for instances of gross misconduct and/or recommended for expulsion. Repeat offenders or instances in which laws have been broken and/or severe behavior has resulted in major disruptions in the school environment may be referred to the Board of Education for expulsion.

The administration will determine the discipline to be applied in each situation as it occurs.

### **SUSPENSION PROCEDURES**

C. Suspension Review Hearing:

Upon timely request of the parent/guardian, a review of the suspension shall be conducted by the Grand Ridge School Board or a hearing officer appointed by the Board. The school administration may also present evidence to the Board or hearing officer. After presentation of the evidence or receipt of the hearing officer's report, the Board shall take such action as it finds appropriate.

A special education student may be suspended for periods of no more than 10 consecutive school days each in response to separate incidents of misconduct, regardless of whether the student's gross disobedience or misconduct is a manifestation of his or her disabling condition, as long as the repeated removals do not constitute a pattern that amounts to a change in placement (considering factors such as

Any special education student may be temporarily excluded from school by court order or by order of a duly appointed State of Illinois hearing officer changing the student's placement to an appropriate interim alternative educational setting for up to 45 days, if the District demonstrates that maintaining the student in his or her current placement is substantially likely to result in injury to the student or others.

### **RECIPROCAL REPORTING AGREEMENT**

The Grand Ridge Grade School District #95 staff, administration, and Board of Education are committed to maintaining a productive and safe **school** environment. The local designee in charge of communicating such offenses in the Grand Ridge Grade School District is David Mathis, Superintendent.

### **POLICY REGARDING EXTRACURRICULAR ACTIVITIES GRADES 5-8**

Participation in extracurricular activities is a privilege which may be enjoyed by the students of GRCCSD95. As a participant the student is a representative of the school district and the community and

is expected to represent himself/herself in a manner becoming both the school and the community. Parents and students should be aware that the conduct code contained in the extracurricular policy requires participants to conduct themselves at all times, including after school and on days when school is not in session, and whether on or off school property, as good citizens and exemplars of their school. Failure to abide by the terms of the extracurricular policy may result in dismissal from activities as outlined in the policy.

Any student in an extracurricular activity; i.e., sports, cheerleading, student council, academic team, etc., must read over the Grand Ridge Grade School Extracurricular Policy with their parents and both must sign the form and return it to the school office before they can participate in an activity. The forms will be distributed to the students by the coaches and/or sponsors of such activity.

Students participating in athletics and/or cheerleading are required to have a physical exam each year. These exams must be completed before a student can practice or participate in athletics or cheerleading.

Students also participating in athletics and cheerleading must show proof of accident insurance coverage either by a policy purchased through the school district or a parent/guardian written statement that the student is covered under a family insurance plan. No athlete or cheerleader will be allowed to practice until proof of insurance is shown.

#### **Academic Policy**

**Any student receiving 1 or more F's or 3 or more D's on a report will be ineligible and required to attend homework club. If the student fails to attend homework club, he or she will be ineligible for the following week.**

**Teachers will post grades electronically to the office on the second to the last day of attendance of the academic week. Student eligibility or ineligibility is then affected on the Monday following the date of the check. Please note that the student is not permitted to play on Monday thru Saturday because of last week's failure to meet the grade requirements. A student becoming scholastically ineligible by the weekly eligibility check must remain ineligible for one full calendar week before possibly becoming eligible again.**

**\*\*Any student who is ineligible shall participate in homework club for the week of ineligibility in order to complete the necessary work to raise the grade. If the student fails to complete this requirement, they will remain ineligible for the following week and continue to attend the homework club. The student may attend practice for the week of ineligibility.**

A 3<sup>rd</sup> *academic* suspension received during the activity's season will result in suspension for the remainder of *that* season. Three suspensions will result in dismissal from the team/activity.

**Although 5<sup>th</sup> and 6<sup>th</sup> grade students are not governed by IESA and are therefore not subject to the same eligibility requirements as 7<sup>th</sup> and 8<sup>th</sup> graders, the school will hold all students to the same standards in order to prepare them for future athletic participation. The 5<sup>th</sup> and 6<sup>th</sup> grade extracurricular activities are viewed as a learning ground to develop needed skills and should prepare student athletes for the academic, as well as physical discipline they will need to be successful.**

### **Conduct Policy**

**Teachers will report any low conduct rating electronically with the eligibility report.** Any students receiving a “4” in conduct will meet with the coach/sponsor and teacher and/or administration. Parent/guardian will be notified. Receiving a second “4” during the season will result in ineligibility.

A student will be dropped from an activity upon the third suspension due to academic and/or conduct ineligibility for the remainder of that activity’s season.

The D student will be warned by their coaches or sponsors and a student with an F or **3 D’s** will be notified they are ineligible and their parents will be notified by mail.
