Pick-up and Drop-off Procedures

Walkers will enter and exit the building through the east doors near the playground area. They will pass at the crosswalk.

Pick-up and Drop-off parents will enter from the South entrance into the one way zone in the parking lot. Pull forward to the line marked for the pick-up and drop-off zone. Students will be dismissed through the North Main entrance of the building. Drivers may exit the parking lot at the nearest exit onto Route 23.

Bus riders will enter and exit the building at the North Main Entrance in the loading zone area. For the safety of the children, students will not be allowed to cross between vehicles or between buses into the parking lot.

Visitor Parking will be in the West and North Parking Lots.
